ERRATUM TO
APPLICATION FOR REVIEW

On April 15, 2004, counsel for Saga Communications of Iowa, LLC ("Saga"), pursuant to Section 1.115 of the Commission's Rules, filed an Application for Review of the action by the Assistant Chief, Audio Division, Media Bureau ("Audio Division") taken in the Memorandum Opinion and Order, *Emmetsburg, Sanborn and Sibley, Iowa, and Brandon, South Dakota*, DA 04-363, 69 Fed. Reg. 12277, published March 16, 2004 ("MO&O"). An Engineering Statement was emailed by Mullaney Engineering, Inc., to counsel for filing, followed by a "hard copy" featuring a full-color map delivered by overnight courier service. Counsel's staff member who prepared the document for filing assumed that the "hard copy" duplicated the emailed version, however Figure 1 was not included in the "hard copy." The omission of Figure 1 from the copy on file was called to undersigned counsel's attention by counsel for Eisert Enterprises, Inc.

Figure 1 – "Summary of Technical Facilities," is attached hereto, and it is requested that the Figure be associated with the Application for Review on file. John J. Mullaney, Jr., who prepared the Engineering Statement has assured counsel that Figure 1

does not depart from the information on file, but provides the underlying data on which the Engineering Statement is based.

In light of the foregoing, Saga respectfully requests that this Erratum be accepted for filing and associated with the Application for Review on file.

Respectfully submitted,

**SAGA COMMUNICATIONS
